GRIEVANCE PROCEDURE

A. DEFINITION:

1. A grievance is defined as a complaint by an employee, or employees, that there has been a personal loss, injury, or inconvenience because of a violation, misinterpretation or inequitable application of any of the provisions of this agreement.
2. Nothing herein contained shall be construed as limiting the right of any employee who has a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted or resolved without the intervention of the Association, provided the settlement is not inconsistent with the terms of this agreement.
3. Nothing herein contained shall be construed as limiting the right of any employee to the provisions of N.J.S.A. 34:13A-1 et seq.

B. PROCEDURE:

1. A grievance should be presented for consideration as promptly as possible, and in no event later than ten (10) school days after the employee has become aware of the alleged occurrence. If not filed in writing within this period, then the grievance shall be considered as waived.
2. The last decision given on any grievance in any of the first three (3) steps shall be considered a satisfactory adjustment unless, within seven (7) work days after the decision has been given, the procedure is carried forward to the next step by the aggrieved.
3. If the grievance affects ten (10) month employees and it is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year.
4. If a grievance for a ten month employee extends into the month of July or August, days shall be counted by using work days of twelve month employees.

5. The procedure shall be as follows unless any step or steps thereof are waived, combined, or extended by mutual consent so stated in writing:

Step 1. An employee with a grievance shall first discuss it with his/her immediate superior or principal, either directly or through the Association's designated representative, with the objective of resolving the matter in the most expeditious manner. In the event this discussion is not satisfactory to the grievant, he/she shall then formally present his/her grievance in writing to his/her immediate supervisor or principal and shall receive an answer in writing within seven (7) work days after presentation. If a grievance occurs which involves a Head Custodian it shall be filed with the Supervisor of Buildings and Grounds.

Step 2. If the grievance is not settled at the first step, the Association may make written request to the Director of Personnel/Labor Relations for a second step meeting within seven (7) work days after the answer at the first step. The Director of Personnel/Labor Relations shall set a meeting within seven (7) work days after the request, or for such other time as is mutually agreeable. Said meeting shall be between not more than three (3) representatives of the Association and the Director of Personnel/Labor Relations or his/her designee(s), not to exceed three (3). The Director of Personnel/Labor Relations' written answer shall be delivered to the Association within seven (7) work days after the meeting.

Step 3. If the grievance is not settled at the second step, the Association may make written request to the President of the Board of Education for a third step meeting within seven (7) work days after the answer at the second step. The President of the Board of Education shall set a meeting within fourteen (14) work days after the receipt of the request, or for such other time as is mutually agreeable. Said third step meeting shall be between three (3) representatives of the Association and the President of the Board of Education or his/her designees totaling three (3). The Board's written answer shall be delivered to the Association within seven (7) work days of said meeting.

Step 4. If the grievance is not settled at the third step, the Association may request that the matter be referred to binding arbitration, if this request is made within ten (10) calendar days after the reply was given at the third step in writing. If an extension of time is requested by either party, such extension shall not exceed thirty (30) days. However, the following are not subject to arbitration:

- a. any matter for which a method of review is prescribed by law.
- b. any rule or regulation of the Commissioner of Education.
- c. any matter which according to law is beyond the scope of Board authority or limited to unilateral action of the Board alone.
- d. a complaint of any employee which arises by his/her reason of not being reemployed.

Step 5. If the matter is still unresolved and if the Association wishes to proceed to arbitration, it shall so inform the Board within fifteen (15) calendar days after receipt of the Board's decision.

- 6. A request for arbitration shall be submitted either individually or jointly to the Public Employment Relations Commission and the arbitration conducted pursuant to N.J.A.C. 19:12-5.1 et seq.
- 7. The arbitrator shall limit him/herself to the Articles of this agreement and his/her decision shall be binding on both parties; he/she shall add nothing to nor subtract anything from this Agreement unless agreed to otherwise by both parties. The parties shall meet within ten (10) calendar days to review the arbitrator's decision. The cost of arbitration shall be divided equally between the parties.
- 8. The individual employee is assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal. All employees, including the grievant, shall be required to continue under the direction of the Director of Personnel/Labor Relations and Administrator/Supervisor regardless of the pendency of any grievance until such grievance is properly determined.
